SPEAKERS

Dan Allison MS, OTR/L, ATP, CDRS

Dan Allison is a Certified Driver Rehabilitation Specialist (CDRS) at Shepherd Center in Atlanta. Previously employed at Mississippi State University's T.K. Martin Center, Dan worked primarily in the areas of adaptive driving evaluation / training, vehicle modification recommendations, and seating / mobility assessments. Dan completed his undergraduate studies at Purdue University and obtained a Master's Degree in Occupational Therapy at Western Michigan University, with an emphasis on disabled driver rehabilitation. His research interests include wheelchair transportation / occupant restraint and CDL / Class 8 driver rehabilitation. Prior to his OT career, Dan worked in the transportation / towing industry, holding a Class A CDL with over 1.5 million miles behind the wheel.

Kimberly White MS, OTR/L, CDRS

Kimberly White is an Occupational Therapist and Certified Driver Rehabilitation Specialist (CDRS). Since earning her CDRS, she has conducted numerous presentations on older drivers; the impact of physical, cognitive and visual perceptual deficits on driving; and low vision implications on driving and MVA reporting concerns. Kimberly holds a Master of Science degree in Occupational Therapy from Towson University.
